LETTER OF GENERAL ANTHONY WAYNE.

[The following letter of General Wayne is addressed to "Captain William Hayman in Wellestown, Chester County," to whom it was delivered by Sharp Delany, Esq.]

LEGION VILLE 28th Decbr 1792.

Dear Sir

It's now seven Months since I left—Waynesborough, without having received a single line, either from my own family or you—you may reply that this is the first from me—true but that is not the case with Mrs Wayne—besides every moment of my time is absorbed in publick business—the defence of a portion of upwards of One thousand miles—& in providing for, & disciplining a New Army—who have yet to learn the dreadful trade of death.

You have undoubtedly had rumours of a general peace with the Indians—but the Contrary is the fact—in the Western Country it is serious war.

However neither War nor Politicks, were the Motives of this letter, I will therefore come to the point,—when I parted with you—you had the goodness to promise—to see that satisfaction was entered upon all Judgments obtained in the Supreme and other Courts—against me—is that business done. I have very recently had a serious caution to be prepared for an Awful charge—& my Monster still continues to visit & warn me of its approval. I have had a most serious & an alarming attack from a violent lax & bilious vomiting—nor has it been in the power of the Physicians to check it—but as I have some knowledge of my own Constitution—I peremptorily insisted upon taking

an emetic—which they assured me was both improper & dangerous to the last degree in my present weak Condition, however I have found considerable relief from it, & by the aid of the bark—which I have also taken contrary to their Opinion—I had the tone of my Stomach altered for the better, yet I am very weak & rather more reduced, than when I first arrived with the Army from Georgia in 1783.

Notwithstanding I have almost every fair day been able to ride for one or two hours at a time to direct our Redouts & chain of defence, which are so far perfected, that all the Indians in the Wilderness cou'd not force them:

But as life's uncertain—& mine at this time rather more so than usual, I wish to settle the Property I may leave behind me, so as to prevent any litigation after I am gone hence for shou'd I survive this attack, my breast is not bullet-proof—nor can I step a single foot aside to shield it. Therefore I pray you let me know what you have done in the premises the soonest possible.

My best—perhaps *last*—and kindest love and wishes to my poor old mother sister & friends & believe me to be with sincere Esteem

Your Affectionate

Hum. Sert

ANTY WAYNE
